SUBJECT

: [REDACTED] - Eligibility for Home Leave 25X1A9A

25X1A9A 1. Reference is made to your memorandum of 16 August 1954 in-
25X1A9A quiring about eligibility of [REDACTED] for home leave. The essential
facts, for our purposes, are that [REDACTED] had been abroad continuously
since 15 April 1950 and that from the first date until approximately
15 March 1951 he was employed by the U. S. Army (CIC) as a GS-9
Resettlement Officer. From the latter date until 12 April 1953, he
25X1A9A was engaged by this Agency as a Contract Agent. From 12 April 1953
until the present time, [REDACTED] has been employed as a regular staff
employee of this Agency.

2. By adding the eleven (11) months of employee status abroad
with CIC to the approximate sixteen (16) months of staff employment
with this Agency, the statutory requirement of 24 months service
abroad is met.

[REDACTED] Therefore, assuming
he is otherwise eligible, and assuming, as we have been informed, that
he has not had transportation from abroad to the United States at
Government expense during this entire period, we believe that legally
[REDACTED] is entitled to home leave privileges at this time.
